

# My Norwex® Host Checklist

Follow these simple steps for a successful party  
and earn free gifts along the way!

- ☐ Invite at least 40 people to your party.
- ☐ 10 adult guests at the party gets you an extra free product from me!
- ☐ Use your Norwex products and tell your guests how excited you are! Remember, your excitement is KEY!
- ☐ Send invitations 2-3 weeks before the party and invite personally. I will send you a digital invitation to text/email to your guests or use the postcard invitations enclosed.
- ☐ Read over the HOST REWARDS! This shows all the ways you can earn free Norwex!
- ☐ Make a wish list. The average party is \$600, but don't be afraid to aim higher! I often have \$1,000 parties.
- ☐ Collect 3-5 outside orders. An RSVP "No" to your party does not mean "No" to an order!
- ☐ Send out reminder texts and/or call guests to remind them of the party a few days before the day of the party.
- ☐ Encourage 2 friends to host Norwex parties of their own!
